**OMICRON
CHAPTER**

MI Scholarship Application 2021

Each year, the **Omicron** (Rutgers's) **Chapter** of **Beta Phi Mu*** offers one or more scholarships to current students in the MI program who have distinguished themselves in their studies. In the past, these scholarships have been in the amount of \$500 to \$1,000 and have been presented at BΦM's annual meeting in the spring.

- Current Rutgers MI students who have completed 9 credits and are in good academic standing may apply. Previous recipients are not eligible.
- Completed applications, which include this form, an essay, and a copy of your resume, should be emailed to Meaghan Darling at meaghandarling@gmail.com by **Friday, April 2, 2021**
- You will also be required to secure one letter of recommendation from an LIS faculty member. Your letter of recommendation should be emailed directly from the recommender to Meaghan Darling at meaghandarling@gmail.com by April 2.
- You will be notified by April 12 about whether or not you have been selected.
- Scholarship recipients will receive their award via snail mail at the address provided below. Recipients will be invited to attend this year's annual Beta Phi Mu spring dinner (held virtually, date TBA).

Name and email of LIS faculty member who has agreed to provide a recommendation:	
Other scholarships and/or fellowships you have received while pursuing your MI at SC&I:	

Please provide a brief response that touches on the following:

1. Why did you decide to pursue a degree in the LIS field?
2. What do you hope to do/what kind of LIS work do you hope to pursue upon graduation?
3. BΦM's motto is, "Consumed in the service of others." In light of this, why do you believe you are the appropriate recipient of this scholarship?

*Beta Phi Mu was founded in 1948 by a group of leading librarians and library educators to recognize and encourage scholastic achievement among library and information studies professionals. Membership in BΦM is by invitation to those in the top 35% of their graduating class. Further information can be found at www.beta-phi-mu.org.
